## Feed a rescue horse for Valentine's Day!!

Our horses don't ask for much. They are grateful to have been rescued, to live an easy life on the farm, and with people who are devoted to them. They are grateful for their vet and farrier care, and, of course ... for their food!

Would you like to help out in feeding them? You can give them the gift of grain, treats, or hay, and they'll be happy! Just check off the items you'd like to give, and add the total to the front of this flyer.

This can be in addition to your Gift Sponsorship or as an alternative way to provide a gift just from you.

**Thank you!!**
